SANATANA DHARMA, VISVAS AND NITHYAM

The word **sanātana** refers to that which is eternal, which does not change but continues in all circumstances. Our Vedas, Upanishads, Puranas have given the Humanity the essence of both Material and Spiritual world. The knowledge bank of Sanatana Dharma has as many pearls of wisdom as the number of stars in the universe or as many drops of water in the ocean.

Bhakti Sutras: Sage Narada advised the concept of Bhakti in Sutra form. Bhakta Prahlada, disciple of Sage Narada and the top most in the list of Bhagavathas, advised nine forms of Bhakthi as: "Shravanam, Keertanam, Vishnoho Smaranam, Padasevanam, Archanam, Vandanam, Dasyam, Sakhyam, Atmanivedanam". (Srimad Bhagavata.7-5-23-24).

In Kaliyuga, the only Bhakthi Sutra to be followed for salvation is Shravanam, Keertanam, Vishnoho Smaranam. VISVAS firmly believes that Chanting Sri Vishnu Sahasranamam is the PANACEA for PEACE in Kaliyuga.

VISVAS is committed to take Sage Prahlada's advice of Vishnoho smaranam and keertanam by taking Sri Vishnu Sahasranamam to every nook and corner of the world through its 5D principles of **Devotion, Discipline, Dedication, Determination and Development**. VISVAS firmly believe that the effort in learning and chanting regularly this Mahamantra will bring success in one's life.
